

CLIENT FEEDBACK

Hastings Deering

BAEG pays attention to the finer details, providing continual support, allowing us to provide our customers with complete solutions.

BAEG have provided assistance with multiple quotes for various companies, as well as efficiently carrying out repairs on some of our Caterpillar hammers.

Overall, the experience with BAEG has been positive.

“The customer service including following up on supplied quotes is greatly appreciated as it prompts us to follow up with our customers.”

ANDREW WEINERT Product Specialist - Hastings Deering

Our customers also appreciate BAEG's customer service - quick responses when a repaired hammer failed.

Yes, we would recommend BAEG to other businesses. BAEG is able to cater to a variety of customer requirements due to the large range and varying quality of products offered.
